

EQF workshop

European Qualifications Framework (EQF) workshop

16.-17.3.2023
AhlmanEdu Tampere
€

The aim of this practical training is to help you better understand the EQF levels and therefore your students, and to use the different EQF levels to design and develop your education and training.

At the end of the training, you will:

- know how to distinguish between EQF levels 1-5 of vocational competences and analyse learner competences against them
- Understand the EQF as a tool between companies and schools to create understanding, transparency and trust between actors.

The language of the training is English.

Trainers: EQF experts **Raili Laas** and **Anu Vaagen** from Yebisu
Level of the training: 3
